For the record, let it be known that the PFC did NOT meet in September 20th.

It was decided not to meet on Wednesday, September 15th after both Chief's announced that they did not have any business for this month. A poll of the PFC Members found that none of them had anything that was pressing, and that it could be held until the October meeting.

The PFC President made the final decision NOT to meet. Notice was sent to the PFC Members and City Staff.

Dennis Kluge, Secretary
